Fire Destroys Farm House

Mrs Davis Has Narrow Escape

Fire on Friday morning completely destroyed the home of Mr. and Mrs. G. F. Davis, near Nightingale.

Mr. John Davis had lit the kitchen fire in the morning, and gone out to feed and water the horses. After a short time he noticed smoke coming from the house and rushed back. The fire had taken a good hold, but he rushed through the flames, and rescued his mother, who had been in bed. He carried Mrs. Davis, out of the building, being painfully burnt while getting out.

The neighbors were on the scene as soon as the alarm was given, Mr. Booth being the first to reach the spot. It was impossible to save the house, and attention was directed to saving the nearby buildings, which escaped the flames as a result of the work done. The home and its contents, was however, a total loss. Mr. Davis, as was on another farm at the time.

Much sympathy is being expressed with Mr. and Mrs. Davis and family this being the second time they have suffered loss by fire since coming to this country.

DISTINGUISHED GUESTS AT MASONIC LODGE MONDAY EVENING

Strathmore Lodge was favoured with a fraternal visit from the Worshipful Master and Brethren of King George Lodge, Calgary, which will be long remembered by those present.

Included in the great number of brethren who came from the city were many prominent Masons, amongst the foremost being W. Bro. A. Davidson, W.M. King George Lodge; W. Bro. Mayor Geo. H. Webster; W. Bro. Swift, W.M. Bow River Lodge; and W. Bro. Macaulay, D.D.G.M. Elbow.

At the close of the work, the traditional banquet gave the talented members of King George Lodge full scope to entertain the brethren with solos, dices, choruses and recitations, which were heartily enjoyed.

In reply to the toast, "Our Guests," W. Bro. Mayor Webster, gave an eloquent address to the newly initiated members, and expressed his pleasure at being with his brethren of the Strathmore Lodge.

Wor. Bro. Davidson, in proposing the toast, "Strathmore Lodge," thanked the brethren for their hospitality, and cordially invited them to return the visit to King George Lodge, at a future date.

The banquet was closed by singing "Auld Lang Syne."

The Strathmore School Board, in making plans for the reopening of school next fall should have all possible information regarding the number of students who desire to take the Grade 9 to 11 or 12 in the Strathmore High School during the 1924-25 term. Grade 12 will be taught only on condition that there are sufficient students wanting instruction in the work of this grade.

If any students wishing to take High School work in Strathmore would communicate at once with the Secretary of the Board or the Principal of the School, it would greatly assist in making proper plans for next years work.

RETURNED SOLDIER WELCOMES DRECO

Remarkable Tonic Properties Again Demonstrated by Giving Quick Relief
Good health is one of the greatest of man's assets. Yet all over this country there are men and women who are not enjoying good health, for the simple reason that they reason that this is slowly sapping their bodies of energy, vigor and ambition. Such was the case of Mr. L. E. Foster, of 12369 119th St., Edmonton, Alta. His health was in a precarious condition. During service overseas he was gassed and it seems that since his return, he has never regained his strength. Then Dreco came to give him relief. "My nerves were in a very weakened condition," states Mr. Foster, "I had severe headaches, dizzy spells and backaches. Got up in the morning with a bad taste in my mouth and my tongue was always coated."
"All this time I had been suffering from stomach trouble and my appetite was very poor."
"I have taken three bottles of Dreco and the results have surprised me. I am feeling better. I eat better, my appetite is better than it has been for years and my entire system seems to be built up."

Thousands of people gladly give testimony to the wonderful merit of this herbal remedy. Thousands have obtained relief after other medicines have failed. Dreco is made from Nature's own herbs, roots and leaves, contains no mercury, potash or habit forming drugs and is pure and wholesome in every respect.

Dreco is being specially introduced in Strathmore by the Strathmore Pharmacy, and is sold by a good druggist everywhere.

STRATHMORE PLAYS LOSING
GAME WITH LANGDONLocal Boys Lose Out in Second League
Game by 4-19 Score.

On Sunday last, June 1st, Strathmore baseball team journey to Langdon to play their first game of the league schedule with that club.

The day was perfect, and the boys all figured they had a cinch this time. However, great was their surprise when they discovered the Langdon aggregation wasn't as green as it looked. The opponents took advantage of the surprise and cleaned up the field before the local boys could come to their senses. It, nevertheless, also proved a great surprise for Langdon.

We all agree that something serious must have been the matter with our club to allow any team to score so many runs against them. Never mind boys, better luck next time.

The lineup of the teams is as follows:

Strathmore—White, 1 b.; W. Gray, 1 f.; Blaisat, 2b and c.f.; Besse, 2 b.; Connors, c.f., s.s., and p.; Warburton, r.f.; Anderson, c.; Plant, p.; Jones 2b; Ferguson, p. and s.s.

Langdon—Knox, 3 b.; Seddon, 1 b. r.f. and p.; Payne, c.f.; Miller, c. and 1 b.; Rao, 2 b.; McIntyre, 1 f.; Quentin, s.s.; Desson, r.f.; McLaughlin, p.; McAllister, c.

Umpires—Miller and Venns.

Golf Notes

The first ladies handicap game of the season was played in two flights on Saturday last, resulting in a victory for Mrs. Ridley in the first flight, and for Mrs. Tom Chambers in the second flight.

Disappointment was keen among the men of the club last Sunday, when it was found that the hockeyed contingent had again been diverted from a game on the Strathmore links. Better luck is hoped for.

The mixed foursome game which is being arranged for the evening of June 15th promises to be a very interesting event, and the captains are very anxious to have every member of the club supplied with a partner. Will those who have not already arranged kindly phone Mrs. Ridley or Mr. Foote as soon as possible?

Several members have been taking golf lessons at the local links, and it is understood that lessons may be arranged for in advance.

Rockyford Loses Brewery Cup to Fernie

Snyder and Ault Hurl for Fernie. Glickman and "Lefty" Brown for Rockyford.

In what city critics term "poor ball" Rockyford lost the brewery trophy to the Fernie club in Calgary on Friday and Saturday of last week. Most of the scores were certainly one-sided.

A summary, in brief, of the first game, on Friday afternoon, is as follows:

Twenty-six runs and a total of 35 hits and nine errors, tells in succinct form the class of ball that was watched at Victoria park Friday afternoon, when Fernie won the first game of the Brewery Cup competition from Rockyford, 15-5. There was vicious slugging and mediocre fielding, but the B.C. challengers showed the marvellous class of ball of the two if that is any particular credit to be gained from the comparative showing made in the course of the afternoon show.

Ault's flailing and cloutings were features of the Fernie performance, while the showing of "Lefty" Brown in fielding and hitting for Rockyford was the main boast of the local boys.

Rockyford Wins Second Game
"Lefty" Snyder enacted the story-typed role of "Ironman" when he pitched a double-header Saturday, losing the second game to Rockyford, 9-5, and winning the third game with considerable ease, 12-2.

"Lefty" Brown, Rockyford south-paw, endeavored to emulate the prowess of noted fingers by doing double duty on the mound himself, but he was forced to yield in the fourth inning of the twilight show, when the contest had finished swaying him on nine tallies on ten hits. His performance in the afternoon was very remarkable, and was largely responsible for the win that kept Rockyford from relinquishing its hold on the cup in two straight games.

The evening game was Fernie all the way. The coolies slugged savagely and clouted in runs when they wanted them. There was more zip to the westerners' fielding, and at no time in the twilight engagement did the farmers look as though they had a chance of protecting the Brewery prize. Snyder was flailing fine ball, holding the opposition to one hit, until the fifth when he eased up and Rockyford gathered three singles with a score.

SCORES BY INNINGS
First Game
Fernie 4 1 2 0 0 0 4 1-16
Rockyford 0 2 1 0 0 4 0 2-10
Second Game
Fernie 3 0 1 0 1 0 2 0-8
Rockyford 2 2 0 1 0 2 1 1 8-9
Third Game
Fernie 3 0 2 4 2 0 0 1-12
Rockyford 0 0 0 0 0 1 1 0-2
It is to be hoped that this defeat will not discourage the prairie boys to any great extent, but make them more determined than ever to regain the trophy and bring many more honours to their progressive little town.

Rosebud Notes

The U.F.A. dance, which was held in Rosebud Hall on May 23rd, proved a success in every way. There was a splendid attendance, and everyone had an enjoyable time. The U.F.W.A. had charge of the lunch and lived up to its reputation for providing good shingles. Among the out-of-town guests present were: Miss Mae Longbottom, of Banff; Mr. and Mrs. Mabey and Miss Mabey, of Beynon; Mr. Lent and party, of Calgary, and numerous others.

Miss Mae Longbottom spent the weekend with Miss Nellie Truss.

Mr. Garrett Patterson arrived in Rosebud Sunday evening, June 1st, after being ill in Calgary for several weeks.

The Kemp family returned to Hains on Sunday.

Mr. Walter Hume returned from Calgary on Sunday evening.

Services were held in both the Union and Roman Catholic churches on Sunday, and were well attended.

The Buzzard family, who have all been quite ill with influenza, are reported convalescing.

RECITAL AT ROSEBUD

A grand recital was given in the Rosebud Hall, Rosebud, on Monday June 2nd, by Rev. Father Boltz, and St. Rita's choir of Rockyford.

The hall was filled with lovers of good music, who duly appreciated the marked talent of Father Boltz and Mr. O. Meyers, who rendered many classics of old masters in a very worthy manner.

The selections by the choir proved the able leadership of Mr. C. W. Walrod, who is to be congratulated on his success. Miss Sallie Spillard proved an efficient accompanist as well as a successful artist.

WHAT'S GAS WORTH?
An amusing incident occurred in town on Sunday last, when two pop-
ular citizens of Strathmore left for
afar. One, in a moment of gener-
osity, assisted his fellow traveller to
the depot with his baggage, and, using
his jinks as a conveyance. Before de-
parting he gave a friend the privilege
of driving the car back to the garage.
However, "Ladie" refused to leave
the spot where her master had left
her, but Jack, quite undaunted, made
a trip to town and returned with a
quart of oil for the engine, and a pall
of water for the radiator, and with
much persuasion coaxed her to return
home. Funny how a trip affects some
people, isn't it?

Richard Bailey, well known Strath-
more resident, has submitted an essay
on "World Peace" in anticipation of
winning the \$25.00 prize offered by
a wealthy manufacturer of Buffalo and
Detroit, which competition closes on
July 1st.

It is to be hoped that Mr. Bailey
will be successful in his endeavor to
bring fame to the town.

As a result of the letter from Mr.
Studen published in last issue, a peti-
tion is being widely signed asking for
the release of the children and Mr.
Studen. It is an opportunity to
testify. By an oversight the word "If
the Children" Aid had given Dorthy
wonderfully out for adoption," not as
was published. "The Children's Aid
had given Dorthy wonderfully out for
adoption."

The Strathmore Standard and the
Dassano Mail are trying to do the
editor of this paper and its all over
the wearing of underwear. But what
is worrying us now is just how Joe
Mackenzie arrived at the conclusion
that the people here don't wear sun-
shades. Tell us how, Joe—Bullfinch
Brooks—Perfectly simple. We arrived
at this conclusion because the editor
of the Bulletin could not "keep his
shirt on" when the lady said "this
paper was not much good anyhow."

On Thursday last a number of the
Royal Arch Masons journeyed to Cal-
gary to take part in the celebration
of the 10th anniversary of the raising
of the Grand Chapter of Alberta.
Work is being done on the "up-town
tennis courts" this week, and it is hoped
to have both courts put in first-class
shape to meet outside clubs in the
near future.
Mr. Tommy Wright, local business
man, is setting a good example to the
rest of the town by painting up his
store.

As will be seen from our advertising
columns, Mr. Pattmore has opened
the new premises of his bakery next
to the Union Bank.

Constable and Mrs. A. S. Hale are
being congratulated on the birth of
twins boys on Sunday, June 1st. Con-
stable Hale will now have valuable
assistance in keeping the liquor situa-
tion under control.

We regret to report that Mr. E.
Duckery, of Berta Vale school, has
received word of the death of his
mother. We all join in extending our
sympathies to Mr. and Mrs. Duckery
in their bereavement.

city.

Annual Union Church
Congregational Meeting

On Tuesday, May 27th, the Strath-
more Union Church held their annual
congregational meeting. This was pre-
ceded by a sumptuous supper strained
by the ladies of the congregation.

The reports of the year were given
by the officers of the different con-
gregations and all reported a very satis-
factory year. The outstanding feature
of the year was the work of the par-
sonage. The young people of the
community, the work of the ladies aid
and the Sunday School. The work
of the choir was also favourably com-
mented upon although owing to the
absence of their officers no official
report was presented of their work.
One gratifying feature of the year's
work and one which also shows a tri-
bute to the general appreciation of Mr.
Rowe's services, was the financial sup-
port accorded to the Board through-
out the year. (Living to last year's account
not being taken care of until the end
of June the Board only had ten months
in which to raise this past year's re-
quirements and during that time can-
never having a clean sheet but for
several years past. We bespeak the
continued support of all members and
adherents that the year we have just
entered upon may not only enable us
to show in a practical way our ap-
preciation of the pastor's services and
also undertake other necessary work
in connection with the Church organ-
ization and building.

During the past year we have much
to be thankful for, apart from finan-
cial support, there has been a marked
improvement in the spiritual atmos-
phere, and many members have been
added to our numbers, both by trans-
fer from other points and by con-
fession of faith.
Our prayer is that the members of
the community will realize the power
of the church.

Heart Church. Admission, 75c.

Carseland Wins
Tuesday's Ball Game

Strathmore played two games of the
Bow Valley League schedule at Carsel-
and on Tuesday afternoon and even-
ing, June 3—being defeated in both
games.

The first game was easily won by
the boys of the south, who played
"pretty" ball, and prevented their op-
ponents from registering a single tally,
while they ran up a score of seven
runs. The final result of the first
game was 7-0 in favor of Carseland.

The second game was more evenly
contested—Carseland leading Strath-
more out by one run. Darkness inter-
posed the game after the fifth inning
with a score of 2-1 in Carseland's fa-
vor.

The lineup of the teams is as fol-
lows:

Carseland—Phil Dick, c.; Fortner
and Benton, p.; Glick, 1 b.; A. Martin,
2 b.; Mace, s.s.; J. Martin, 3 b.; Stin-
son, c.f.; Phillips, l.f.; W. Phillips,
r.f.
Strathmore—H. Way, c.; Blisset
and Ferguson, p.; White, 1 b.; Lomeli
and Warburton, 2 b.; Wan, Gray, s.s.;
Jones and Mackie, 3 b.; Platt, c.f.; A.
Gray, c.f.; Blisset, l.f.

The next league game played in
Strathmore will be by Langdon on
Wednesday, June 11th.

that is theirs for service in building
a better community to live in, our
children in, and set nearer to the
Master's aim that all men should
brotherly be by our devotion to the
things of the Spirit. This can best be
attained by our earnest attention to
those things for which our churches
stand and our practical support of
them by our presence at their ser-
vices.

Crop Conditions on the Western Section

After a dry fall there has been only about two inches of precipitation from January first to May twenty-eight while there was an average of 5.79 inches of precipitation during the first five months of 1923.

The rainfall of May, 1923, was 4.27 inches, and this year, so far, we have had less than half an inch at most points.

There must be three or four inches of rain or an irrigation within the next two weeks if a good crop of wheat is expected. Hay and pasture land should be irrigated in May most years and certainly in a season like this.

It is early water that brings the best crops, other conditions being equal. It is therefore desirable to plow ditches now and continue irrigation until at least 3 or 4 inches of rain has fallen.

Most everybody dreads starting to irrigate because it involves a lot of hard work at a busy time of year.

Only a few are handling the water so as to get the best results with the latest work.

The job must be begun by surface draining the land if there are any pot holes that can be drained at a reasonable expense, also some of the small depressions should be filled up and knolls cut down with team and scrap.

If nothing else is done, the land to be irrigated should be smoothed with the 18 foot level before seeding. If this is tried once on even a small area, there will be no further doubts about the matter.

The next important item is to have well-built field ditches not over 75 to 100 feet apart. This matter of keeping the ditches close together is especially important on land that has not been leveled.

Finally it is necessary to stay with the water in the field and prevent waste water running off or too heavy an irrigation in places which may produce seepage and alkali troubles.

Where seepage or alkali seems to be spreading it is a good idea to sow

Seed Growers Meet

Great satisfaction with the operation of the Alberta Government seed cleaning plant and a request for its continued operation was expressed at a meeting of the executive of the Alberta Seed Growers Association last week. The management of the plant and marketing of nearly 8,000 bushels of high class seed under the direction of W. J. Stephen, Field Crops Commissioner, was particularly commended. The plant during the season handled 22,823 bushels of Marquis wheat seed, 2,169 bushels of Ruby wheat, 25,073 bushels of Victory oats, 17,562 bushels of Banner oats, and 684 bushels of Bark's barley. Prices set to the seed growers ranged as high as \$1.50 per bushel for seed wheat, and \$1.40 per bushel for seed barley, and \$1.20 per bushel for seed oats. The deduction to cover all charges of operation and freight charges amounted to only 25c per bushel.

The executive expressed its appreciation of the offer of the Calgary Board of Trade of prizes for winners from Alberta at Chicago.

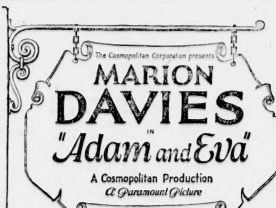

The seed board of the province meeting at the same time, recommended that the annual seed fair next year be held at Calgary.

NEWSPAPER MEN ENTERTAINED

A party of Canadian daily newspaper men and wives were entertained at the Alberta Club during the past week on their way to the annual convention at Vancouver. Some of the visitors had not been West before, and naturally were greatly impressed with what they saw in Alberta. On their return East the party is to be entertained at Calgary.

HARVESTER COMPANY - REDUCES IMPLEMENT PRICES
Substantial Reductions Announced
Covering the Entire Line.

The International Harvester Company of Canada, Ltd., makes the following announcement:

"We are pleased to announce a substantial reduction in prices of our entire line of farm implements. This reduction is made possible by the removal or decrease of the Sales Tax on such machines and on raw materials, and further by the removal or reduction of the duty on materials entering into such machines, as set forth in the Government Budget Resolutions of April 11th, and in subsequent Amendments."

The Canadian farmer will undoubtedly welcome these reductions in prices. We feel that he will promptly take advantage of the opportunity and purchase new implements in place of worn-out and dilapidated machines now in use, which will, of course, insure greater efficiency in his farming operations."

"Content's A Kingdom"

--- Thomas Heywood

Every citizen of Strathmore should possess it. For, are not the Prosperity, Progress and general Welfare of a great Community best reflected in the **CONTENTED DISPOSITIONS OF ITS RESIDENTS?**

Put yourself in the place of the visitor within our gates. If he's of the type who judge as they pass—and most of them do—he'll formulate his opinion of us and our town by the welcome he receives, the friendliness he observes about him, the neighborliness of our citizens and—the state of **CONTENTMENT** we show.

So go about with a friendly smile—one that you really mean. Speak a kind word for Strathmore whenever the opportunity presents itself. Do a kind deed for your neighbor now and then and he'll do as much for you. Make the visitor feel at home by imparting what information you can with a cheerfulness that bespeaks your **CONTENTMENT** in living in this great community.

Surely, you have every reason in the world to be **CONTENT** here. Your interests, both commercial and social, are here. Our resources are just beginning to be developed. And yours are the countless opportunities to make this a better place in which to live and enjoy life to its fullest extent.

We, the undersigned professional and business interests, believe that the happy, **CONTENTED** citizen is a better Advertisement for Strathmore than the biggest dillboard on earth could be.

Heed this advice, and--**BE ONE.**
